The Intercessor & World Report:

The term “4/14 Window” was initiated several years ago in an effort to bring awareness of the need to reach children ages 4 to 14 for Christ. A large percentage of today's 2.3 billion children under age 15 have not had a clear presentation of the gospel and represent the world's largest unreached people group.

Let's pray that God give us a burden to reach & teach children the Gospel of Christ!
